2016 INDUCTION In Review

The Mynderse Academy Athletic Hall of Fame Committee conducted its 7th annual induction ceremony on Sunday, October 9, 2016. If you weren't able to attend, we hope you watched the live broadcast on FingerLakes1.com. Overall, we estimate all of the events were appreciated and deemed successful.

The tour of Mynderse Academy, including visiting the permanent MAA HOF display and inspecting the new athletic fields was well received. This tour was open for any HOF member (current or past) and their family and friends. The HOF Committee has decided to offer this tour again next year on Saturday, October 7 at 5:00 PM starting in the Mynderse front foyer.

Once again, the gathering at the SMS Lodge attracted many of this year's inductees. Please remember that this gathering at the SMS is open to all HOF members and their families. We have scheduled the SMS for next year on Saturday, October 7 from 6:00-8:00 PM.

As always, the committee, again, wishes to thank the many sponsors who contributed to this year's event and hopes that these people and organizations will continue to do so in the future. If you would like to contribute, your check should be made out to MA Athletic Hall of Fame and sent to John Nicholson, 35 Mechanic Street, Seneca Falls, NY 13148. Donations of \$100+ are eligible for complimentary tickets to the 2017 Induction Ceremony.

We Say Good-Bye to One of Our Members

Following this year's Induction Ceremony, John Capacci retired from the Mynderse Academy Athletic Hall of Fame Committee. John was one of the charter members of the committee providing his service for the past seven years. When Chairman, Rod Verkey, sought out initial members for the HOF Committee, John was one of the first Mynderse graduates he sought out. Over the years, John has provided valuable knowledge, a bubbling alumni spirit and an energetic lift to all aspects of committee work. John was a member of the Mynderse class of 1961. He was also an avid Mynderse athlete participating on some of Coach Davis' legendary football teams. The Hall of Fame committee wishes John and his wife, Karen, good fortune in the years to come. His presence on the HOF Committee will be sorely missed.

Can the Hall of Fame Committee Improve Upon the Induction Ceremony?

Each year the HOF Committee evaluates all activities during the induction weekend and this year was no exception. The Committee was pleased and honored to have many people, who attend the induction, compliment them on this year's event. However, the overall length of the ceremony on Sunday has become be a topic of concern.

Beginning this year, the Committee will set a goal of conducting a two hour induction (6:00-8:00 PM). These two hours would not include the cocktail or dining portion of the evening. There is a serious concern that our audience may be choosing to miss the induction or leaving during it due to the overall length. Plans are being developed by the HOF Committee that are designed to meet that two hour limit without curtailing the enthusiasm and pageantry of the ceremony.

One thing that has not changed since our beginnings, and will not change, is the desire and commitment to produce an induction weekend that can truly celebrate great Mynderse athletes and their accomplishments.
