

Seneca Falls Central School District Parent Portal

In order to use the Parent Portal, you will need to have an account set up for you. Please email the Instructional Technology Office (sftechhelp@senecafallscsd.org) to have this account created. You will receive an e-mail from SchoolTool with your password. If you already have an account but need a password reset, you will also need to email the Instructional Technology Office.

The SchoolTool Parent Portal is accessed through the school website: www.senecafallscsd.org. Click on the SchoolTool link in the top right corner to log in. Your e-mail address is your username. After logging in, click the small triangle next to your child's name. From here you will be able to navigate to other pages by clicking on the various tabs:

- Schedule – A schedule for each marking period is listed.
- Attendance
- Grades – You need to select the Marking Period you are looking for.
 - ✓ Marking Period Grades
 - ✓ Progress Report Grades – 5 week reports
 - ✓ Marking Period Average – Each subject has grades broken down by category. This gives an up-to-date average for the marking period you select.

If you would like to download the SchoolTool App on your mobile device, you will need to download the app and input the following URL on the app: <https://schooltool.sfcs.k12.ny.us/Schooltoolweb/>

We at the Seneca Falls CSD hope this portal will be of assistance to you in staying on top of your child's academics. If you have any questions about the Parent Portal, please email the Instructional Technology Office: sftechhelp@senecafallscsd.org.
