

Seneca Falls Central School District  
98 Clinton Street  
Seneca Falls, NY 13148  
(315) 568-5500

Dear Parents/Guardians,

New York Education Law requires a health examination for all students when they:

- Are in Grades K, 1, 3, 5, 7, 9, 11
- Enter the district for the first time
- Participating in the school's sports program
- Need working papers

The examination must be completed by a New York State licensed physician, physician assistant or Nurse Practitioner and on the approved NYSED Student Health Examination Form for School.

School physicals, including sports physicals, should be performed by your child's primary care physician. We recognize this is a change from prior years. However, in the best interest of your child's health, please contact your family physician to have the necessary physical prior to the start of the new school year. The school physical can also be used as their sports physical.

If for some reason you are unable to have your child seen by their primary care provider the school's health provider (Finger Lakes Health) will be available in the Fall and Spring to perform physicals at school.

A copy of the health examination, completed within the past 12 months, must be provided to the Health Office within 30 days from when your child first starts school.

- If your child has an appointment for an exam during this school year that is after the start of school, please notify the Health Office with the Doctor's name and date of appointment.
- For your convenience a physical exam form will be provided.

If you have any questions please call the Health Office at your child's school. Physical forms can be faxed to the Health Office at your child's school.

Thank you,

Mrs. Vickie Burm, RN, BSN  
Frank Knight Elementary School Nurse

Mrs Deanna Clemenson, RN, BSN  
Cady Stanton Elementary School Nurse

Ms. Vickie Gavidia RN, BSN  
Seneca Falls Middle School/Mynderse Academy School Nurse
